have stood the test of time. Purely vegetable. Wonderfully quick to banish biliousness, headache, indirection and to headache, indigestion and to clear up a bad complexion. dentine bears Brandfood

A Real Iron Tonic

Combines from with nux, colery, pepsin and other tendes, nutrients and disestives. Of worderful help in nervous weekness and debility.

Says Spartacans, In Control, Will Cease Terrorism

Hugo Haase Does Not Consider Reaction Coup Impossible In Berlin.

Leaving Argonne Ballie
Turson, Aris, April 21.—The 364th
rayment, part of the Bird division,
identified by the green fir tree en
their left arms, paused in Turson
Monday for emprise. They are former
instronal guard troops, most of them
Ballifornings on their way to Camp
Kearney to be demobilized.
The troops occupied soveral trains.
They are veterans of the Argonne
forest instille and were trained at
Comp Lewis. The boys present a
soplendid appearance, but, as one of
them remarked, they gut fat on their
own money after leaving the Argonne
The troops will parade in Los
Angeles Tussday mooning.

our especimitly of securing a length of nations.

So the consensus of Missouri Democrats would seem to be very largely in favor of the length and they privately report similar strength for it animag the Republicans. Friends of senator Reed also think he has erred, but they helieve him stacers. They like him for the very qualities of opposition which he is displaying. They like him so well that they really the coverlines in the him for every qualities of opposition which he is displaying. They like him so well that they really do overflowing the big convention hill here, which helds 14.000, and gave Mr. Taff several nights later about 10,000. Fechaps the argument against it seemed more interesting than the argument for it, but Mr. Reed's appeal didn't go unheeded and was by no SAYS SENTIMENT FOR ARMY OFFENDERS IS "MAUDLIN"

OFFENDERS IS "MAUD.IN"
Washington, D. C. April IL—
Camp Merritt, Holocken, the main embarkation camp during the war, draft with nearly 18.000 cases of an sence without leave between april 1 lest year and the signing of the armistes Maj. R. A. Stone told the American Bar association Saturday in connection with the discussion of the administration of military lustice. Practically, he said, these men were all deservers, avoiding service at the front, and ho adeed that a great deal of "maudin sentiment" was now being expressed for men severely dealt with by military course for this of fence.
